EDUCATION

MASTER OF COMPUTER APPLICATION(MCA)

Indira Gandhi institute of technology,Sarang

2020 - 2022

CGPA-8.86

BACHELOR OF SCIENCE(Bsc)

Fakir Mohan University,Balasore

2016 - 2019

CGPA-6.61

PROJECTS

Exam Portal

- Designed and developed TestYourself, a dynamic web application that offers users the ability to take online quizzes and tests. Leveraged Spring Boot for the backend and Angular for the frontend to create an engaging and interactive user experience.
- Features:-**User Registration and Authentication. Implemented user registration and secure login using Spring Security and JWT.
- Achievements:-** Successfully combined Spring Boot and Angular to build a feature-rich, full-stack application .Demonstrated proficiency in both backend and frontend development technologies.
- Backend:** Java, Spring Boot, Spring Security, RESTful APIs **Frontend:** Angular, HTML, CSS, TypeScript **Database:** MySQL , **Authentication:** JWT (JSON Web Tokens)
- GitHubRepository:**<https://github.com/pravatdey/TestYourself.in.git>

Hotel Rating System

- Developed a microservice for a hotel rating system that allows users to rate and review hotels.
- Implemented user authentication, hotel rating and review submission, retrieval of hotel ratings, and API endpoints for integration.
- Technologies Used:** Spring Boot, Microservices Architecture, OAuth2 Security, RESTful API Development, Postman API Testing, **Database:** MySQL, MongoDB, PostgreSQL
- GitHubRepository:** https://github.com/pravatdey/Hotel_Rating_Syst

E-commerce Website

- Developed a small-scale e-commerce website using Java programming , JSP, and Servlet.
- Built an online store application with product listing, shopping cart, and checkout functionality.
- Technologies Used:** servlet, JSP, Hibernate ,Html, CSS, JavaScript, Bootstrap, MySQL.
- GitHubRepository:**https://github.com/pravatdey/Ecommerce_platfrm.git

TECHNICAL SKILLS

Java Programming

Springboot

Microservice

Spring Security

RestAPI

Hibernate

Angular

Html

CSS

JavaScript

Github

MySQL

MongoDB

PERSONAL SKILLS

Strong problem solving and analytical abilities

Adaptability and flexibility to changing technology, Teamwork and collaboration.

Dedicated

ACHIEVEMENTS

Developed a fully functional web application as part of a team project during college studies.

Demonstrated ability to quickly learn new technologies and programming languages.

Participated in Various Co-Curricular Activities and Exhibitions during College Days.

INTERESTS

Chess
